Minoru Yasui, Tetsuya Kunihiro, Katsuaki Horiuchi, Stuart Berg Flexner Eds Tomoshichi Konishi :
Shogakukan Random House English-Japanese Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Shogakukan Random House English-Japanese Dictionary:

0 of 0 people found the following review helpful. Serious resource for serious usersBy Andrzej SzczesnyThis is definitely not for beginner. One without adequate knowledge of Japanese will not get the best of that. N1 users may find it very useful. The concept of that dictionary was to allow smooth translation from English to Japanese for those for whom Japanese is not the problem. If you would like to extend your ability to express in Japanese that's a good tool for you but remember - you have to learn Japanese on advanced level!0 of 2 people found the following review helpful. great business!!!By Adriana Riccardigood condition of the item, great price!quite quick delivery service!nice doing business with you!
