Lots of interesting pieces shown!By Glass LovrAn old book, but a good book. Lots of good information for the collector. I found a catalog page of my pattern, showing a large range of pieces which I've never seen and probably never will, unfortunately.0 of 0 people found the following review helpful. this is a very good too identify most of the patternsBy rodneyFor a out of print book an older one at that, this is a very good too identifymost of the patterns. Well organized with pictures
