They tend to wear out with my daily use of it. I have given it as a present to colleagues and family. I consider it to be my Bible. 0 of 0 people found the following review helpful. An Ideal Dictionary By XXXXXXXXXXXXXXXXX I purchased this dictionary as used in "Good Condition," for the unbelievable price of \$10.50, rather than \$55 brand new. It is an excellent dictionary that arrived on time, with the appearance of a brand new book. I purchased a second one as a gift for a friend and he is as happy with that treasure as I am with mine. 0 of 0 people found the following review helpful. AWESOME service and product!! TOTALLY satisfied!!! :D By Carmen Alicia Ortega Surez 5 stars TOTALLY deserved!! This is a family business and they were

VERY kind and checking on the order and they even sent me a hand-written letter thanking me for buying this book. I REALLY like this service and I hope his home-like feeling doesn't end. I looked through all the pages and everything is BETTER than I expected!! :D I'm REALLY satisfied with this product. I only had a problem with the tracking number because it never showed me where the book was. but it arrived sooner than I thought and that's great!! :D

The most respected Spanish/English dictionary in the world has been completely revised and updated. With over 200,000 entries, it is among the most comprehensive bilingual dictionaries available, covering the latest technical and scientific terms, thousands of regionalisms and idioms, geographic and biographic entries, a complete table of irregular Spanish verbs, elements of grammar, and a guide to pronunciation for both Spanish and English.

A valuable addition to all libraries. ?Ondina Arrondo Copyright 1998 Reed Business Information, Inc. Language Notes Text: English, Spanish From the Inside Flap The most respected Spanish-English dictionary, with greater authority than ever. For almost 25 years, Simon Schuster's International Spanish Dictionary has been known and respected throughout the world as the most complete and up-to-date bilingual dictionary of the Spanish and English languages. Now revised and updated for the first time, this new edition continues that tradition, providing a comprehensive lexicon of two languages as they are encountered and used today. To the rich base of over 200,000 entries have been added almost 10,000 new words and phrases that reflect changes in the political world, technology, business, and society. Every dictionary entry has been reviewed and many have been revised to reflect both classical and current usage in the written and spoken vocabulary. The result is a new bilingual dictionary that exceeds some unabridged monolingual dictionaries in the completeness of its entry selection and definitions. Here, in thousands of words, phrases, examples, and idioms is the diversity of history, literature, tradition, and temperament of two worlds. The most exact equivalents and definitions given in a bilingual dictionary. The latest technical and scientific terminology. The richest, most extensive treatment of idioms, colloquialisms, and slang. Comprehensive treatment of Latin-American, Iberian, North American, and British variants and regionalisms. Precise transposition of both languages, with thousands of usage examples from history and literature. Encyclopedic entries in the fields of history, politics, religion, mythology, science, technology, and the arts. Extensive coverage of notable people and places, including all countries and their capitals. Chemistry symbols, acronyms, and abbreviations. Outline of English and Spanish grammars, and a complete table of irregular Spanish verbs and their conjugation. English pronunciation in the universally recognized International Phonetic Alphabet (IPA) in each entry, and a guide to Spanish pronunciation. Large, clear type on pages designed for maximum readability and ease in locating entries. Simon Schuster's International Spanish Dictionary is an indispensable reference for students, teachers, translators, interpreters, and professionals a must for schools and libraries.
