La aproximacin a las diferentes fonticas del Latn y de las lenguas Europeas es concisa y precisa. Atencin, es muy til para cantar Msica MUY antigua (hasta el S. XVI) pero no tanto para msica barroca o preclsica.2 of 2 people found the following review helpful. Great resourceBy john armatoGreat resource for performers or teachers who are working with vocalist on a regular basis. As a teacher I refer to this often.0 of 0 people found the following review helpful. Was familiar with the bookBy Mary R.I glanced at a friend's copy of the book, knew I wanted to own it. Have not had time to use my new copy.

Praise for the cloth edition:"Commendable in its scholarship... should prove of interest to linguists, medievalists, and Renaissance academicians, as well as to fastidious performers of early music." ChoiceSinging Early Music is a pioneering work of surpassing quality that cannot be too highly recommended." Journal of SingingAddresses the needs of the performer directly, giving historical pronunciations for a range of languages [and] sample texts.... The CD that comes with the book will prove invaluable.... David Klausners recording is admirably consistent and convincing across the wide range of languages." Early Music
