Jonathan Green : Slang Thesaurus, The Penguin (Dictionary, Penguin) before purchasing it in order to gage whether or not it would be worth my time, and all praised Slang Thesaurus, The Penguin (Dictionary, Penguin):

0 of 0 people found the following review helpful. Brilliant collection of different slang expressionsBy Tomasz KrawczynskiIt's paper, it's 15 years old, but just flipping through the pages gives you a lot of funny random slang expressions. If you are a non-native English speaker, trying to impress your English colleagues at work, this book is a

whole mine of interesting expressions you can use instead of obvious words, which they teach you at school. A must.0 of 0 people found the following review helpful. "A thesaurus", writes Jonathon Green in his introduction to ...By aja"A thesaurus", writes Jonathon Green in his introduction to "The Penguin Slang Thesaurus", "by definition, is a compilation of facts - in the form of listed, connected words - rather of etymologies, discursive explanations of the development and origin of a word or of similar philological exposition". This exhaustive book is very interesting to read, eg. the words 'jooks' and 'keechter'.This book has 13 sections spread over 137 pages and a 142 page alphabetical index.Grab a copy if you can.

Slang is the language through which we communicate on an everyday basis. Often more colorful and expressive than its formal counterpart, slang is stimulated largely by "sex, money and intoxicating liquor" and, more recently, drugs, and is ever changing and evolving. This lively introduction to the world of slang provides:
