Jonathon Green : Slang Through the Ages before purchasing it in order to gauge whether or not it would be worth my time, and all praised Slang Through the Ages:

0 of 7 people found the following review helpful. I received the book ...no response
By Beth Coon
I gave the book as a gift, the individual said it looked interesting, but he has not even looked at it yet. He is very busy and was surprised by the gift, I think. Language usage is one of his favorite studies, so I expect he will check it out someday.
Slang Through the Ages
4 of 5 people found the following review helpful. Kojak with a Kodak
By Carlos Calderon
Kojak with a Kodak is one of the obscure/ strange entries you can find in this "dictionary". While most of the terms are thoroughly researched and well explained, it is very difficult to find the words or phrases due to the book's lack of a word index. If you want an EXCELLENT slang dictionary, purchase John Ayto's Oxford Slang. Now that is a great dictionary. But anyways, you will not be disappointed with Slang Through the Ages (if you can find it)

Slang Through the Ages tackles its subject by theme, taking words of standard English and tracing the development of their slang equivalents over the past 500 years . '
