**Tricia Wright : Smithsonian Q A: American Art and Artists: The Ultimate Question Answer Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Smithsonian Q A: American Art and Artists: The Ultimate Question Answer Book:

0 of 0 people found the following review helpful. Also volunteer docents in art museums would find this resource highly useful. By Ricardus This introductory overview of art of the continental United States is an ideal for readers with little exposure to art museums. The writing is concise, and offers enough information to stimulate further study. Also volunteer docents in art museums would find this resource highly useful. 0 of 0 people found the following review helpful. Four Stars By Ejay A great and simple review of American art for those who are unacquainted. 0 of 0 people found the following review helpful. American Art Topics By Ruth Ann C. Davis A lot of information in a very concise format. Book arrived in very good condition.

Covering topics from the natural to the historical and beyond, the Smithsonian Q A books are essential for any family reference shelf. Questions and answers are authoritative and accessible. Fullcolor illustrations and the Q A format enable users to learn all about their favorite creatures and subjects. SMITHSONIAN Q A: AMERICAN ART will cover the history of American art and artists from the eighteenth century to the present. The book will encompass the visual arts, including painting, photography, and sculpture, and will feature prominent movements as well as artists from a variety of backgrounds.
