I can't help feel like there's something better out there though. I really enjoyed Bobitto Garcia's book "Where'd You Get Those?" and think that a child of both of these books would be the ultimate sneakerhead book.0 of 0 people found the following review helpful. Other than that it was fine so I don't think it was a shipping issueBy AnnaArrived with the first protective page completely crumpled up. Other than that it was fine so I don't think it was a shipping issue. Made a great gift but having it arrive like that was a bummer.2 of 2 people found the following review helpful. The Foot fetish must have!!!!By PamelashearmanPerfect - exactly what I was looking for, for a 17 year old Grand Son, who is "addicted" to this style of Footwear. Cannot believe how much he knows about the history of these shoes. Great photography, covering so many favorite brands. Can't wait for him to open at Christmas.

A definitive and indispensable guide to the very best and most collectible sneaker designs. Sneakers, trainers, tennis shoes, baskets wherever you live, whatever you call them, however you wear them, it is impossible to escape this humble shoe's rise to global popularity. Sneakers have moved beyond sports attire to become a fashion staple that simultaneously transcends class and race yet defines who you are in today's urban tribes. The world of the sneaker collector encompasses a huge international audience passionate for the rarest shoes, the latest designs, or reissued

classics in a myriad of colors and materials. This encyclopedic guide, with more than 500 specially taken color photographs, displays over 180 sneaker designs that have made a mark on sneaker culture worldwide. There are examples to delight both the novice collector and the hard-core sneaker freak, from acknowledged classics like the Converse All Star to the latest Nike Air technology to forgotten styles no longer in production but worthy of modern recognition, such as the Ewing Reflective. The book features comprehensive reference sections for collectors, including histories of the fourteen leading brands from Adidas to Vans; practical tips on building and caring for a collection; a fully illustrated glossary and chronology; and a directory of shops, resources, and Web sites. Over 500 full-color photographs and illustrations

"A growing number of "sneakerheads" cover rate models and measure time not by years but by Air Jordan editions."About the AuthorUnorthodox Styles is a London-based creative consultancy, specializing in graphic design, Web design, and photography. It is the producer of Crookedtongues.com, the leading online sneaker resource.
