John L. Nicodemus : So, Do You Want a Job, or What? Dirty Secrets of Resume Writing and Job Hunting
before purchasing it in order to gage whether or not it would be worth my time, and all praised So, Do You Want a
Job, or What? Dirty Secrets of Resume Writing and Job Hunting:

0 of 0 people found the following review helpful. ExcellentBy SRGalanteAn excellent, readable, practical source giving a full job search program, treating rules and systems for networking, recommended daily routines, goal setting, example resume formats, resume pitfalls, and explicit "homework assignments" to guide the job seeker through the overall program0 of 0 people found the following review helpful. InformativeBy TYBAR MIDDLEKAUFFThis is a very helpful guide to finding a job, and helps look outside the box, of resumes and interviewing, that I had learned in school.0 of 0 people found the following review helpful. even if you do not need one it WILL come in handyBy Doc NormI would, will, recommend this to those who know me, and ask they do the same networking is key !!!!!

If you really do want a job, this book is for you! In *So, Do You Want a Job, or What?* you will learn the secrets of:
Why a standard chronological or functional resume is not effective
How to develop a resume that really stands out from your competition
How to write a resume with the employer in mind
Developing an effective job search strategy
How to measure the effectiveness of your job search
How to keep a positive mindset throughout your job search
Volunteering and other effective strategies to enhance your search
How to effectively "sell" yourself
The pitfalls of starting your own business
Author John Nicodemus has expertise gained from many years on both sides of the table, as job seeker and interviewer. He mentors employment groups, and now is sharing what he has learned in this straightforward guide.
