Beverly Beisbier : Sounds Great, Book 1: Low Intermediate Pronunciation for Speakers of English before purchasing it in order to gage whether or not it would be worth my time, and all praised Sounds Great, Book 1: Low Intermediate Pronunciation for Speakers of English:

0 of 0 people found the following review helpful. Exercises are Useful, But Instructions aren't Easy to FollowBy Alison SattlerThe book offers several exercises for helping students practice their pronunciation skills, yet is not organized in a way that's easy for teachers and students to quickly assess what they need to do for each exercise. It provides instructions in narrative form before each exercise and offers partner practice exercises in different areas of the book--not right on pages next to each other. The text is pretty dense. I would prefer seeing instructions in a list rather than in paragraph form so to break down the information so it can be followed more easily.0 of 0 people found

the following review helpful. clean and covered with good case. I like the way how to ship ...By Abdullah bin saudeven this book took more long time to arrive, but it was worth value, clean and covered with good case. I like the way how to ship their books :)0 of 0 people found the following review helpful. Four StarsBy TIFFANY KEHnice book and good price.

SOUNDS GREAT teaches learners to discover, recognize, and use American English word stress, sentence stress, intonation patterns, and high-frequency vowels and consonants. The many guided conversations, pair and small group practices, information gap activities, peer interviews, and short oral reports invite students to enjoy improving their command of spoken English.

1. The Vowel "e" 2. The Vowel "i" 3. Word Stress: Two Syllable Patterns 4. Word Stress: Predictable Three Syllable Patterns 5. Sentence Stress, Unstress, and Rhythm 6. Sentence Stress, Rhythm Groups, and Linking 7. Rising/Falling Intonation 8. Rising Intonation 9. The Consonants 10. The Consonants 11. The Consonants 12. The Consonants 13. The Consonants 14.
