**From Readers Digest Assn : The American Medical Association Home Medical Encyclopedia: An A-Z Reference Guide to over 5000 Medical Terms (Volume ONE TWO)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Medical Association Home Medical Encyclopedia: An A-Z Reference Guide to over 5000 Medical Terms (Volume ONE TWO):

0 of 0 people found the following review helpful. I purchased this set for my husband. He had ...By Marion Weir-TurekI purchased this set for my husband. He had the first book many year now, but wanted an update and the 2nd issue. He has some health problems and feels this helps to know more and learn to be able to express his problem to the physician in the proper manner. It all works out to his satisfaction.1 of 1 people found the following review helpful. Two StarsBy steveTurned out to be one of a two volume set.1 of 1 people found the following review helpful. Not what was picturedBy nuzOnly received one book of the set. Shows dust covers on books, there wasn't a dust cover on the one book I received. The company was really good very prompt about issuing a full refund, including shipping, when I contacted them :)

The American Medical Association Home Medical Encyclopedia, 1989, edited by Charles Clayman. This is a 2-volume set with a combined 1,200+ pages. They are hardcovers with dust jackets, published by Random House.
