Barry Berg : The Art of Buying and Selling at Flea Markets before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Buying and Selling at Flea Markets:

0 of 0 people found the following review helpful. Great for the flea marketerBy ColoradoJenI do a lot of flea markets and antique places and the book has helped me keep a sharp eye out for items.0 of 0 people found the following review helpful. Five StarsBy CustomerEasy read. Well written

Flea Markets are considered one of the most democratic institutions around. A man wants to sell something, he pays a small fee for a space in an outdoor parking lot or a farmer's field, brings his own table, puts out his wares and he's in business . . . this is frontier capitalism. This guide is for all collectors and dealers who want to gain access to the universe of antiques and collectibles sold at flea markets, antique malls, or on the Internet. Author Barry Berg discusses what it really means to sell and buy in this arena. He provides tips on making the most of your efforts whether you are a collector or dealer. This handy resource guide gives advice and useful tips to beginners wanting to start a collection or a business dealing with collectibles. This book is a "must" for all who enjoy spending hours on end browsing the flea markets and finding those wonderful treasures.
