**Greg Spalenka : The Art of Greg Spalenka** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Art of Greg Spalenka:

1 of 1 people found the following review helpful. Great book! By Kathleen A. O'connell A beautiful book. It covers the artistic career of Greg Spalenka over the years and includes his work as an illustrator, his fine art work and his photography. I am a professor of illustration and I purchased the book to share with my students in the classroom. I'm sure it will really be well received by them too! 1 of 1 people found the following review helpful. Five Stars By DUSA What a dreamer. And thank heavens Spalenka dreams in shapes, colors and textures we can see. Visionary, meaningful. 1 of 2 people found the following review helpful. Great Purchase! By Kiem The book came as scheduled and I enjoy the images very much!

Having graduated from the prestigious Art Center College of Design, Greg Spalenka has been producing commercial and fine art for over 30 years. With a client list including film studios, magazines, newspapers and book publishers, his distinctive style is immediately recognisable and this book marries a celebration of Greg's body of work with instructional elements to inspire the reader.

"A mixture of beauty, technique, spirituality, experimentation and style." - Horror NewsSpectacular - Nerdology  
"A dreamy combination of mystery, fantasy, and the modern natural world." - Active Respawn  
"A tribute not only to his (Greg Spalenka's) talent, but to the liberating freedom of art itself." - Cinema Sentries  
"Just looking through his (Greg Spalenka's) book makes you really appreciate all that an artist has to give." - Dont Forget A Towel  
"I spent some late nights reading page after page and not being able to actually put the book down" - Rotoscopers  
"The Art of Greg Spalenka is a terrific collection of the artist's work and manages to really open the eyes of the reader to all new worlds." - Bio Gamer Girl  
"Titan released a book that not only captures some of Spalenka's best work, but also grants the opportunity to learn about an artist that isn't afraid to take risks in his career and proves that art is still very important to our culture." - Entertainment Buddha  
"His vast landscapes of extraordinary worlds lend themselves to exploration and contemplation, with vivid touches and tangible details that bring alien expanses, charmed forests, and mysterious labyrinths alike to life." - Tor.com  
About the Author  
Greg Spalenka has been producing fine and commercial art for over 30 years. As well as numerous gallery shows, he has produced art for clients including Warner Bros, New Line, Time, Rolling Stone, the New York Times, Wall Street Journal, and numerous book publishers. He also lectures on art at colleges across America.
