I was first exposed to his work in a tiny little gallery in Cannon Beach, Oregon in 2007. I was unable to afford his book, Moving On, at that time and to this day I remember having to leave it behind and go back to Portland. Unfortunately, that was his very last book. He passed away a few years later. If you are unable to get a copy of Moving On, you'll be happy to know that owning this book is just as special. I was given this book as a gift (ordered from). It has so many examples of his work with a lot of narrative information that will get you to know this artist better. He's really a talented man. I'm honoured to own this book and have had a chance to see some of his originals in person.1 of 1 people found the following review helpful. wonderful bookBy rwrans56Great Book, big very good print quality and amazing detail on art reproduction. Wide variety of art not just one subject.0 of 0 people found the following review helpful. Poised Between HeartbeatsBy AlSteve Hanks really rocks. Am so amazed at his work, and thrilled to own this book. Ordered his other book (another seller), but dissapointingly it was lost in transit. Cant get another copy for a good price now. This seller was exceptional.. very speedy international delivery, packed so the books came through the monsoon weather spotless!! Very accomodating seller in interaction as well. I was wowed. Highly recommend.

This book contains many paintings mostly portraits from the artist Steve Hanks. Hanks is first and foremost a figure painter following in the line of such masters of the human form as Raphael, Rembrandt, Vermeer and Ingres.
