Ray Smith : The Artist's Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Artist's Handbook:

Fully restyled and revised for the twenty-first century artist. The Artist's Handbook is packed with information on the traditional art methods of drawing, painting, and printmaking together with significant modern art techniques such as digital photography, digital printing, and digital image manipulation. Encompasses all the tools, materials and skills of the artist's craft. This is the definitive reference guide for amateurs and proficient, conventional and progressive artists

alike.
