AN ESSENTIAL REFERENCE ITEM FOR ALL WRITERS By Schuyler T Wallace You might not agree with all of the AP's writing dicta (or dictum) but it's hardly wise to ignore them. They are the gold standard of news writing and have been around since 1953. In addition to a list of rules that make uniform writing possible, it's also a textbook, a dictionary, and an encyclopedia. It serves the need of a

newspaper to keep writing concise and that makes some of the rules seem self-serving, but it is an invaluable aid to promote clarity and precision of language. This Style book, along with "The Chicago Manual of Style", are essential reference material for any writer and are my favorite gifts for graduates from both high school and college.0 of 0 people found the following review helpful. Best guide for a journalistBy Andres PedrazaBest guide for a journalist. It really helps and it never dissapoints. Just need to learn how to search for things.0 of 0 people found the following review helpful. Great resourceBy caileighThose of us writing for a company, organization, or with the goal of attracting public or media attention require an up-to-date AP Stylebook. Being in PR, this tool is a necessity. For those of us in the industry, it's important to purchase the most current stylebook available, especially due to continuous growth in social media and online journalism. There are always new additions to AP style.

The style of the Associated Press is the gold standard for news writing. With The AP Stylebook in hand, you can learn how to write and edit with the clarity and professionalism for which they are famous. Fully revised and updated, this new edition contains more than 3,000 A to Z entriesincluding more than 200 new onesdetailing the APs rules on grammar, spelling, punctuation, capitalization, abbreviation, and word and numeral usage. Youll find answers to such wide-ranging questions as:

About the AuthorThe Associated Press is a not-for-profit news cooperative, providing coverage of news, sports, business, weather, entertainment, politics, and technology through text, audio, video, graphics, and photos to 15,000 news outlets worldwide. Distributed by satellite and the Internet to more than 120 nations, AP services daily reach more than 1 billion people. With headquarters in New York City, the AP has 241 bureaus worldwide and more than 3,500 employees.
