Magnificent woekBy Abbas HabibiThis work is very helpful for those that are interested in the relevant subject. As with every piece of work, there is room for improvement, but for sure nothing more superior exists. This is matchless.3 of 5 people found the following review helpful. The BEST of its kind.By J. SchneiderDr. Karadaghi deserves recognition for this book. It is the best there is and among the best foreign language dictionaries on the market -- in any language. This book will have dog ears as if it were a paperback before long.Thanks Dr. K! The effort this took is hard for me to comprehend, but I sure appreciate the fruits!

The Azadi (Freedom) English-Kurdish Dictionary is the most comprehensive English-Kurdish dictionary (Sorani dialect), with more entries and information than any other English-Kurdish dictionary published to date. It has approximately 44,000 entries and over 4,000 sub-entries, including phrases and idiomatic expressions. It includes the phonetic transcription of the entries. Many of the entries have been used in sentences to enhance the user's comprehension of the language.
