Lauren Chattman : The Baking Answer Book: Solutions to Every Problem You'll Ever Face; Answers to Every Question You'll Ever Ask before purchasing it in order to gage whether or not it would be worth my time, and all praised The Baking Answer Book: Solutions to Every Problem You'll Ever Face; Answers to Every Question You'll Ever Ask:

2 of 2 people found the following review helpful. For the Novice and Experienced Baker - LOVE THIS BOOK!By KrazyKatLadyI first discovered The Baking Answer Book by Lauren Chattman at my local library about a year ago. I

found myself renewing it - in fact, I checked it out about 6 times! I then decided that it was time to buy this wonderful book. I discovered answers to most of my baking questions - there's a chapter for almost everything. Chapter 3 is extremely interesting to me - "What Happens When We Bake: Science for Bakers." There's also some amazing recipes scattered throughout the book. I'm a major cooking and baking enthusiast, and was always looking for answers, tips and tricks, and suggestions for different recipes. I think this wonderful little book covers all of my questions, and makes a handy reference guide. I think it would make a wonderful gift for the new baker, or as a birthday gift for your favorite baking enthusiast. I don't hesitate in recommending this - I hope you find it as useful and as fascinating as I do!

By Teresa R. Brown
Even though I read The Baking Answer Book straight through, it is meant to be used as a resource for questions and problems. I was teaching a 60-year-old man to make his first layer cake when the recipe called for cake flour. I stopped him from running off to the store with the "recipe" for cake flour from here! The cake was a huge success, and he was able to tell people: I made a yellow layer cake, AND, I made cake flour! All this said, an index would be a huge help.

Master flaky pie crusts, watch your biscuits rise to new heights, and present golden-brown cookies every time. Filled with hundreds of insights and techniques, The Baking Answer Book has you covered. Pastry chef Lauren Chattman provides answers to all of your baking questions and creative ways out of every sticky mess you might find yourself in. Her tips, tricks, and secrets will take your baking to the next level.
