Garnet Templin-Imel, Shirley Brod : The Basic Oxford Picture Dictionary, 2nd Edition: Literacy Program before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Basic Oxford Picture Dictionary, 2nd Edition: Literacy Program:

7 of 7 people found the following review helpful. Literacy First with Oxford and By Connie Anthony The Basic Oxford Picture Dictionary, 2nd Edition: Literacy Program We began a Family Literacy program at our church. After exhaustive research we elected to go with Oxford Press materials. We even had other vendors tell us that the Oxford Picture Dictionary could not be beat. The OPD has 3 levels of workbooks that are compatible. Then we ran across this little gem. The Basic: Literacy Program. It is so user friendly and a must have for any program. Instructions are easy to follow as " Read this, point to this, have students repeat this... " 248 different work sheets fully reproducible, extra activities and testing materials and helps. We are a new program and on a tight budget so I headed straight to for the best deals in the land . I was not disappointed. Comparable pricing at my fingertips. If they don't have all you need they will search it out. Sometimes this takes a few extra days in shipping but they go above and beyond in keeping you informed as to the status of your delivery. I rarely shop online. has delivered everytime. The materials arrived well packaged and beautiful. My students beam with pride. 1 of 1 people found the following review helpful. Great

Resource Deal!By L. BoivinThe description of the condition of the book was accurate - it was in excellent condition and very much worth the price for all of the resources we can now provide for our tutors for our lower level ESOL Adult Learners I am very pleased!0 of 0 people found the following review helpful. Five StarsBy Mary Ann Chatmangood teaching source.

This four-skills programme features: reproducible student pages with corresponding teacher's notes; word, alphabet, and number cards; pre- and post-tests; and preliteracy activities, in a looseleaf binder. The teacher's notes offer detailed lesson plans, suggestions for managing multilevel classes, and additional activities.

About the AuthorGarnet Templin-Imel is currently a tenured faculty member in ESL and the Chair of the Developmental Education Program at Bellevue Community College in Washington. She has taught for 20 years in a variety of ESL Programs including Adult Basic Education ESL, intensive English, ESL in the workplace, and English for Academic Purposes.
