Margot Gramer : The Basic Oxford Picture Dictionary (English/Vietnamese edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Basic Oxford Picture Dictionary (English/Vietnamese edition):

0 of 0 people found the following review helpful. A Thorough Solid Reference Tool! By Just Be This jewel is going to be invaluable for my beginning ESL students. I understand the debate about the no-no of supplying a Spanish translation, but I think for nouns, there isn't enough class time to go into this depth. This gives them an expansive one-time explanation, and we can get busy on using them in conversation. The pictures are thorough in covering all the basic units of essential language needed. 2 of 2 people found the following review helpful. Basic Quick Reference By Kay E. It gives pictures and a basic vocabulary. I used the first edition teaching beginning ESL. Sometimes one just forgets a term when one doesn't use that language everyday and this is a "quick reference." 0 of 0 people found the following review helpful. Five Stars By Sally May Kind of pricey but works for our ESL classes.

The pictorial reference features topics which reflect the immediate language needs of beginning-level adult and secondary students of American English: contextualized vocabulary for essential survival skills; large, easy-to-read type and clearly organized pages; an index showing the pronunciation of each item; plus a large number of verbs, adjectives, and phrases as well as nouns.

Language NotesText: English, Vietnamese
