**David MJohnson : The Bedford Anthology of World Literature Book 6: The Twentieth Century, 1900-The Present** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Bedford Anthology of World Literature Book 6: The Twentieth Century, 1900-The Present:

0 of 0 people found the following review helpful. School sucks By MJ And so do the stories in this book. 1 of 1 people found the following review helpful. Great Stories By me I used this book for my English/Lit college course and loved the content of it. It has some really great stories in it. 0 of 0 people found the following review helpful. Great Product at a great price By Elizabeth I found this to be a really great product. I would definitely recommend it to others, a very happy purchase.

The Bedford Anthology of World Literature doesn't just surround an unsurpassed collection of western and world literature with generous literary, historical, and cultural contexts; it also gives students the help they need to explore an entire world of literature.

**About the Author** Paul Davis (Ph.D., University of Wisconsin), professor emeritus of English at the University of New Mexico, has been the recipient of several teaching awards and academic honors, including that of Master teacher. He has taught courses since 1962 in composition, rhetoric, and nineteenth-century literature and has written and edited many scholarly books, including *The Penguin Dickens Companion* (1999), *Dickens A to Z* (1998), and *The Life and Times of Ebenezer Scrooge* (1990). He has also written numerous scholarly and popular articles on solar energy and Victorian book illustration.
