**Archie Bennet, Marta Gutierrez : The Beginner's English/Spanish Dictionary and Guide to Usage/Diccionario Espanol/Ingles Para Principiantes y Guia de USO** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beginner's English/Spanish Dictionary and Guide to Usage/Diccionario Espanol/Ingles Para Principiantes y Guia de USO:

0 of 0 people found the following review helpful. very good condition like new.By Customervery good condition and very good book. my child like it. I wish if have pronunciation it will be better.

How does a person learn to use a language dictionary? The New Beginner's Spanish/English Dictionary and Guide to Usage is especially created to help. The use of photos, easy-to-understand meanings of the words, simple synonyms,

and word use in English and Spanish make learning simple. Over 1,500 entries can be easily located with the use of the 28-page index with listings in both English and Spanish. Aimed principally at children, but extremely useful to anyone learning Spanish or English, this book is an excellent tool.
