Editors of Creative Homeowner, Gardening : The Beginner's Guide to Gardening: Basic Techniques - Easy-to-Follow Methods - Earth-Friendly Practices before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Beginner's Guide to Gardening: Basic Techniques - Easy-to-Follow Methods - Earth-Friendly Practices:

4 of 4 people found the following review helpful. Great book! By Helen Bogad I purchased this for my Grandson who is starting his first garden. He's found the book very helpful, he just posted a photo of his first flowers, grown from seed! Great book! 1 of 1 people found the following review helpful. Great for beginners By Cgd93 Very informative. Great for beginners 0 of 0 people found the following review helpful. Didn't help much By Sonja PI wish I could

actually grow anything. This book didn't help me much!

A beautifully illustrated and photographed book that will serve both the novice and experienced gardener well. The Beginner's Guide to Gardening contains all the basics: garden design; how to select healthy plants; how prepare the soil; garden maintenance, and so much more. In addition there is everything you need to know about growing annuals and perennials; roses; flowering bulbs; herbs; ground covers; trees and shrubs; vegetable gardens; and creating specialty gardens--all in a concise book

From the Back Cover You don't have to have a green thumb to have a healthy thriving garden. With The Beginner's Guide to Gardening you'll learn the basics: garden design; how to select healthy plants; how prepare the soil; garden maintenance, and so much more. Here's everything you need to know about annuals and perennials; roses; flowering bulbs; herbs; ground covers; trees and shrubs; vegetable gardens; and specialty gardens. Beautifully illustrated with color photographs and illustrations.
