**Princeton Review : The Best 167 Medical Schools, 2015 Edition (Graduate School Admissions Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best 167 Medical Schools, 2015 Edition (Graduate School Admissions Guides):

0 of 0 people found the following review helpful. Save your moneyBy ceeweeWe were hoping this would be equal to the "Best Colleges" line of books by the same publisher. It really did not have any more information than we could find on Med Schools' websites, had very little about the culture of the schools or life in each particular area and also had some information that is not necessarily correct. The book also arrived with coffee damage. Half of the pages were stained, wavy and wrinkled and stuck together.0 of 0 people found the following review helpful. Five StarsBy zrobsterWish there were a newer edition0 of 2 people found the following review helpful. One StarBy sung-jae

chungmost of data are so old, five years ago

Get the Inside Word on Medical Schools. The Princeton Review's *The Best 167 Medical Schools* gives you the facts about admissions requirements and curricula at the top accredited U.S., Canadian, and Puerto Rican allopathic schools, as well as accredited osteopathic and naturopathic schools. This guidebook offers a wealth of the info you need to know when applying to med school, including:

- The inside scoop on med schools
- Key details about deadlines, tuition, and admissions criteria
- Information on each school's training programs, student life, and more
- Advice for non-traditional applicants
- Follow 8 aspiring doctors through the admissions process
- Financial implications of a career change
- What to expect at your admissions interview
- Tons of sample questions
- Advice on how and when to follow up with your interviewer

You'll also get easy-to-use snapshots of each school's admissions criteria, deadlines, telephone numbers, tuition figures, e-mail and snail mail addresses, and other key info.
