Princeton Review : The Best 295 Business Schools, 2016 Edition (Graduate School Admissions Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best 295 Business Schools, 2016 Edition (Graduate School Admissions Guides):

1 of 2 people found the following review helpful. 2 stars only because it's a good read BUT By Dexter E. Davis You should just buy 2013. It's the EXACT same book, other than some average salary and average GMAT updates... which are barely different in most cases. This is like buying the new Madden every year without a face lift.
