Dawn Lucan : The Best Career Guide for Autistic Adults 2017: Featuring Career Ideas, Strategies, and Resources before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Best Career Guide for Autistic Adults 2017: Featuring Career Ideas, Strategies, and Resources:

You are in high school searching for a career or you are an adult searching for a career. Which careers work great for those diagnosed with Autism Spectrum Disorder or High Functioning Autism? Dawn Lucan, a preschool teacher, has kept in contact with her students that she has over time and followed their interests. She shares some of the common traits that some of her students have in this book and lists them as careers. Dawn Lucan has also shared some great resources throughout the book to help you with your career.

About the Author Dawn Lucan is an educator with 20 years of experience working with individuals with different abilities in life. When she is not working, she loves to swim, do yoga, and cook.
