Frances Karnes Ph.D., Tracy Riley Ph.D. : The Best Competitions for Talented Kids: Win Scholarships, Big Prize Money, and Recognition before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Best Competitions for Talented Kids: Win Scholarships, Big Prize Money, and Recognition:

0 of 0 people found the following review helpful. This is an excellent book with competitions organized by subject By Deb77 This is an excellent book with competitions organized by subject. Each competition is clearly and succinctly

described, along with all of the information needed if one wishes to pursue more details. Each competition has information in several categories such as: purpose, description, eligibility, important dates, judging criteria and awards. The book is well worth having if your child wishes to enter competitions in a chosen field. 0 of 1 people found the following review helpful. Three Stars By robofront back cover were damaged.

Ideal for students and families seeking scholarship money and national recognition for skills and abilities in academics, the arts, leadership, and community involvement, *The Best Competitions for Talented Kids* is the ultimate guide for winning and learning from competitions. In addition to its extensive listing of competitions, the book includes a unique "Competitions Journal" that helps students record their progress and success. The book features complete information on who to contact, how to enter, prizes, judging criteria, contest origin, significant dates, and tips from the contest organizers themselves.

About the Author Frances A. Karnes, Ph.D., is professor of curriculum, instruction, and special education at The University of Southern Mississippi. She is widely known for her teaching, research, publications, innovative program developments, and service activities in gifted education and leadership training. Tracy Riley, Ph.D., is a senior lecturer in gifted and talented education at Massey University in Palmerston North, New Zealand. A former teacher of gifted students, she publishes and presents internationally. Tracy is actively involved with many gifted and talented initiatives in New Zealand, including serving as coeditor of *APEX: The New Zealand Journal of Gifted Education* and serving on several Ministry of Education advisory groups.
