**Ms. Devay Campbell PHR : The BEST Job Interview Advice Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The BEST Job Interview Advice Book:

0 of 0 people found the following review helpful. Great Interviewing Advice!By Kindle CustomerThis is a wonderful resource for anyone preparing for an interview in any field. I will be definitely recommending it to the assistant principals I work with in pursuit of the principalship. The advice and tips are provided in a manner that is easy to implement The author provides great reference tools as well as "lessons learned". I absolutely love the space provided

for you to organize your thoughts and write down ideas and information as well as the valuable input from all the experts. Perhaps the best part of the book is the conversational writing style that Ms. Campbell used. The writing style makes it easier to relate and it conveys the intended message perfectly! You will definitely return to the book frequently for guidance either for yourself or someone else that is seeking your input on interviewing. This book is worth buying if you are looking for practical advice that you can apply immediately. I highly recommend this book to all preparing to interview and those who assist individuals in preparation for interviews. "Being prepared will ultimately make you more confident" ~Devay Campbell

0 of 0 people found the following review helpful. What a disappointment! Totally lame advice along the lines of 'make sure to shower before your interview' and 'if you've gotta fart, try to muffle it as well as you can.' If you have absolutely no common sense, then you should read this, otherwise, don't waste your time or money.

0 of 0 people found the following review helpful. Quick, practical and well organized

By Chris Taylor This is easily the best book I have read on the subject. It is packed with useful advice for any job seeker and/or HR professional, yet reads quickly and casually enough to not feel like work. With over 20 years of hiring experience myself, I can still say I learned something from the text. I strongly recommend.

Can you benefit from 210 years of interviewing advice covering what to say and do before, during and after the job interview? The BEST Job Interview Advice Book will give readers a candid look at what they need to say and do to impress recruiters and hiring managers. The book provides valuable must-have tips relating to the entire interview process including: How to protect and improve your personal brand How to answer tough interview questions Networking Types of interview questions Handling job offer negotiations This book is an invaluable resource for relevant, easy to implement advice that can be implemented immediately to nail your interview in the future! Whether you are looking for your first, next or last job, you need to read The BEST Job Interview Advice Book.

Devay Campbell is on a mission to help people to have greater success in life and business. She has written a book on how to do a job interview that knocks the socks off whenever you do a job interview. Listen and learn and check out her interview tips ...they will help you have greater success!
