BrownThis map appeared on my homepage as a recommendation after I purchased a travel guide to Charleston, SC as a gift for my girlfriend before we took a vacation in Charleston. I bought this map to go along with the book and I have to say that she loved the map! It is very cute and extremely detailed and we found it very useful - we pulled it out, usually while walking down the street, just about every day that we were in Charleston. My girlfriend loves this hand-drawn map so much that she is going to frame it and hang it up in her bedroom! Thanks .
