Ellis Jones, Ross Haenfler, Brett Johnson : The Better World Handbook: Small Changes That Make A Big Difference before purchasing it in order to gage whether or not it would be worth my time, and all praised The Better World Handbook: Small Changes That Make A Big Difference:

1 of 1 people found the following review helpful. Five StarsBy renaissance womanHandy little book with lots of ideas

for how to reduce your impact on the environment as a consumer.0 of 0 people found the following review helpful. Great cover, realistic action items, truly inspirational!By Kevin KingA book filled with knowledge action items to create your best life while making human society great too!1 of 1 people found the following review helpful. Five StarsBy OhHanaBeautiful book very organized and thorough clear writing. I recommend.

Specifically designed to reach people who normally would not consider themselves activists, *The Better World Handbook* is directed toward those who care about creating a more just, sustainable, and socially responsible world but don't know where to begin. Substantially updated, this revised bestseller now contains more recent information on global problems, more effective actions, and many new resources.
