Mike Coles : The Bible in Cockney before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bible in Cockney:

1 of 1 people found the following review helpful. Great gift for those with a "off beat" personality!By Priscilla ZigMy husband (it was a gift) loves it and keeps it on his bedside daily...I can tell when he is reading it because he laughs his a** off! Great gift for those with a "off beat" personality!0 of 0 people found the following review helpful. AmusingBy Reading TymeAn amusing retelling of some bible stories and verses in Cockney Rhyming Slang. Not

much else to it, it's bible stories that you "adam and eve" (or not) presented in a new format, it's a refreshing format but it's the same stories. 0 of 0 people found the following review helpful. Good gift for people into this type of stuff
By Nicole Smith
Bought it for my mom as a gift. She loved - very giddy. She needs to work on her cockney accent, but nonetheless it was a perfect gift for her.

This is one of those 'must have' books. You should also make sure your school has a copy for use in RE lessons and assemblies. Would you Adam and Eve it? Read how Jesus feeds five thousand geezers with just five loaves of Uncle Fred and two Lillian Gish. Or how Noah built a bloomin' massive nanny. Then there's always the story of David and that massive geezer Goliath, or the time when Simon's finger and thumb-in-law was Tom and Dick in Uncle Ned and Jesus healed her... A very down-to-earth 'translation' that brings Scripture out of the pulpit and back onto the streets. Author Mike Coles is Head of Religious Education at Sir John Cass's Church of England Secondary School in Stepney, East London. He hated RE when he was at school, and vowed that he would never make the children suffer as he had to! When he moved to the East End nearly 15 years ago, he immediately fell in love with Cockney rhyming slang and started to use it in his lessons. The children loved it, he decided to write down some of his stories and - well, here they are. Mike's aim is for people to enjoy reading the Bible stories in this very down-to-earth version, and to help God's word reach out to those who wouldn't normally read the Bible but who may pick up a copy of this book. 'Puts the energy and passion back into the stories' The Archbishop of Canterbury.

'It certainly is a good laugh while imparting the essential message of the Bible.' Reverend Stan in The Badge, the London cab drivers' newspaper
About the Author
Mike Coles is head of Religious Education in a London High School. He has written two other imaginative introductions to the Bible, "The Bible in Cockney and More Bible in Cockney (both available from Novalis in Canada).
