Alexis Munier : The Big Black Book of Very Dirty Words before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Black Book of Very Dirty Words:

0 of 0 people found the following review helpful. Interesting...By Jred22Lots of dirty words I've never even heard of. I'm expanding my vocabulary and becoming just like a sailor...I guess. (Do they really curse a lot?) I put this on my coffee table for when I bore my guests with my plain old F bombs and other mundane expletives. I highly recommend this book for kids so they can insult their teachers and not even get in the least bit of trouble. Where was this book when I was 8? I always wanted my childhood to be like an episode of South Park...0 of 0 people found the following review helpful. The book of pervertsBy MimiThank you for expanding my knowledge and vocabulary of the dirtiest things I could never think of.0 of 0 people found the following review helpful. GreatBy themoderatetrapezoidI learned a lot in this book, hah. There are so many terms I've never heard of, I found it great. I like how they had the definition

and had fun examples of it. I recommend it if you really want to know more.

Airplane Blonde. Intercorpse. Prostitot. Queef. Rainbow Kiss. There's a big world of obscenity out there--and you'll explore every profane nook and cranny in this compilation. We're talking about more than 2,000 insults, obscenities, and vulgarities raw enough to make even the most unflappable linguist blush. Forget grammar school swearing; this is advanced cursing for the most discerning dirty mouths! From the colorful--geequals, manscape, prairie dog--to the crude--giraffe, Roman shower, vagitarian, this big-ass book of bad language will have you dissing douchebags with doolally style in just a friggin' minute!

About the Author Alexis Munier relocated from California to Europe in her mid-twenties and began teaching English at world-renowned language schools in Russia, Slovenia, and Italy. Now a writer and opera singer based in Switzerland, Ms. Munier is also the author of the Talk Dirty series and The Little Red Book of Very Dirty Words.
