This does the job.0 of 6 people found the following review helpful. I'm so glad that books like these are madeBy CustomerI'm so glad that books like these are made. Without using these books, I would not be able to vomit words on a page in an attempt to impress people. This book would be great if it was a

joke but it is not. 0 of 17 people found the following review helpful. One Star By david uber I couldn't get past the title.

The ultimate word book for aspiring intellectuals! The most compendious collection of words for aspiring scholars, this book helps you hold your own in intellectual discourse. Featuring 2,400 sophisticated, obscure, and obtuse terms, each page provides you with the definitions you need to know to lock academic horns with the clerisy. From antebellum and eleemosynary to impasto and putative, you will quickly master hundreds of erudite phrases that will improve your conversational elegance. Complete with definitions and sample sentences for each entry, *The Big Book of Words You Should Know to Sound Smart* will elevate your lexicon as you impress the susurrations out of the perfervid hoi polloi.
