Peter Weibel : The Big Red Book of Spanish Idioms: 12,000 Spanish and English Expressions before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Red Book of Spanish Idioms: 12,000 Spanish and English Expressions:

29 of 30 people found the following review helpful. Excellent book BUT beware of the Kindle edition By Gary J. Shannon I got this book as a Kindle download, but in the end had to get the paper edition instead. Reference books you

want to flip through are not the best choice for Kindle. Also, the book was apparently digitized with a scanner and little proofreading because accented characters show up all sorts of strange ways. For example "ms" with an accented " " shows up in the text in various ways like: "mas", "m6s", "m3s", "mOs", among others. "est" often shows up as "est6", and so on. Needless to say you can't search for phrases with those words because "ms" won't match "m6s", and also the keyboard does not support Spanish characters anyway, so searching is out of the question. Save yourself a lot of difficulty and get the paper edition.

By Cecilia Hess
Oh, I love this book
What a great way to spice up your vocabulary. I think this is for people that already speak a bit of Spanish, not necessarily fluently, but conversationally. This is such an interesting book for language nerds :)

By Ricardo Cielo
A great book to keep within reach when you are writing essays, notes and letters to help express the thought you want to convey to the reader. If you have an idea of what the word might be look it up on the Spanish section and if you can only think of the English word look in the English section. It is an easy to use book and has sentences using the phrase/idiom that will aid you to write your thoughts.

For every learner who has wasted dictionary time looking up the individual parts of a Spanish saying only to have the whole add up to nonsense, *The Big Red Book of Spanish Idioms* provides innovative and easy access to scores of turns-of-phrase and their idiomatic English equivalents. With more than 4,000 Spanish expressions arranged by keyword, numerous example sentences, and an extensive index for cross-referencing, you can quickly find phrase-based translations by way of either English or Spanish. Compact and comprehensive, this tool is perfect for a student's backpack or a translator's briefcase.

From the Back Cover
The most comprehensive, easy-to-use guide to idioms used in Spanish and English
Idioms are the heart and soul of a language as it's actually used, and Spanish has thousands of these mystifying expressions--most of which you won't find in any bilingual dictionary. With *The Big Red Book of Spanish Idioms* you'll never be in the dark about the meanings of idioms and colloquialisms used across the Spanish-speaking world. And you'll never be at a loss for the right turn of phrase when speaking or writing Spanish. *The Big Red Book of Spanish Idioms* is filled with:
4,000 idioms arranged according to Spanish keywords
1,800 Spanish keywords and their English equivalents
1,800 example sentences for guidance in usage
8,000 matching English expressions
An English-Spanish Index--to steer you to the right idioms, instantly
Extensive cross-referencing that lets you access material in either language
By matching Spanish idioms with English expressions of a similar tone or register, this dictionary makes an ideal reference not only for students of Spanish but also for Spanish-speaking learners of English.
