looking to find ultimate bliss in your life and career, JP Hansen gives you the blue print for finding the ultimate you. I am ordering ten books to give as gifts to family and close friends. I've read the book twice and just received it last Friday. It is truly an easy read and has inspired me to move on my destiny - something I've been sitting on for about 18 months. I truly thank JP for crafting such an amazing book. 1 of 1 people found the following review helpful. Great tool for achieving your much needed paradigm shift! By Brian Catmull I was pleasantly surprised at the refreshing views and advice shared in this easy read! Using the principles outlined in this book has truly been the reason I have been able to find my "bliss zone" in a sales management career that requires consistent inspiring perspective and insight. 0 of 0 people found the following review helpful. This is a GREAT book. By Phil V. J.P. Hansen helps you cut through the clutter in your resume and life so you can start on your ideal future. I found this book to be a valuable tool in helping me achieve my goals!

Most people spend the majority of their lives at work, and many not happily. Here's a way to find your inner spirit -- what you truly desire to do in life -- this book illuminates the path leading you to ultimately achieving your goals. Hansen will help you get there through exercises such as building a great resume, nailing the interview, and knowing whether or not to accept a particular job offer when it comes along.

About the Author  
JP (James Parker) Hansen was born and raised in Madison, Wisconsin. He attended Boston College, where he studied English and Economics. Following college, he ascended corporate ladders at blue-chip companies: Nestle, Bristol-Myers Squibb, SC Johnson Wax, and ConAgra. In 1994, he founded Hansen Executive Search, Inc., and is currently its President. Though the corporation has earned millions of dollars, he is most proud of the fact that he has helped thousands of people find bliss in their dream jobs.
