**Hunter Jenny, Jenny Hunter : The Book of Political Business One-liners** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Political Business One-liners:

Everything you want to know about what influential and important people have said about politics and business. Includes quotes from politicians, CEOs, management consultants, philosophers, writers, comedians, scientists and more. Political Business One-liners is an easy-to-read collection of quotes and includes chapters on Advice and inspiration, Boom and bust, Change, Democracy and despots, Education, Ideas and innovation, Leadership, Management, People and teamwork, Religion, Technology, War and Peace and much more.

From the Back Cover Spice up your speeches, emails or reports and impress your audience with this essential collection of clever quotes and quips. The book of Political Business One-liners includes brilliant quotes from famous people such as Winston Churchill, Mark Twain and Warren Buffet. There are also bon-mots, remarks, observations and 'perfect thoughts' from politicians, businessmen, feminists, comedians, writers, scientists and philosophers.
