John Powers : The Boston Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boston Dictionary:

0 of 0 people found the following review helpful. Hysterical!.. written with the sound of Boston ...By Susan J.Hysterical!..written with the sound of Boston.phonetically.(translation into the rest of English language also.) At first the spelling threw me, for just one second...when I started reading it all the words/sounds made sense...to a suburban Boston girl., that loves our wicked city! Keeping one on my coffee table and giving it to family members living outside of New England to make sure they keep their accents sharp. Subjects of the sentences kill me. Actors should read it...soo many actors. are off with this accent.3 of 3 people found the following review helpful. FUNNY!! As a Bostonian I got to walk ...By HallyFUNNY!! As a Bostonian I got to walk down memory lane - no one talks like a Bostonian. Made me homesick! In a good way. Thanks!0 of 0 people found the following review helpful. Great giftBy

easwimGreat gift for that friend that tries repeatedly but keeps failing to mimic the Boston accent. We had a lot of laughs reading it.

Bostonians, like Texans, Georgians, and the British, have their own version of the English language: this is its Rosetta Stone. Natives can brush up on their dialect, and travelers or newcomers to the "Hub of the Universe" can learn how to communicate with the indigenous folk. The Boston Dictionary is now widely considered a classic book of Bostonian Humor, a best-seller wherever books or gifts are sold in Boston.

About the AuthorJohn Powershas written for the Boston Globe since 1973 and is the author of five previous books. He lives in Boston. Peter Wallace is the Singapore Practice Leader for Ernst Young's Global Financial Services Group. In his current role he provides audit and advisory services to a number of the world's most respected financial institutions. He also provides a range of corporate governance services to major Asian corporates in the areas of board and director assessment, internal audit re-engineering, risk management and director training. He has written and spoken widely on various corporate governance topics including contributing a series on corporate governance to one of the Singapore national newspapers. He currently sits on the Advisory Board for the Corporate Governance and Financial Reporting Centre of the National University of Singapore's Business School.
