Packed with recipes, expert advice, step-by-step photos, and more, this official guide from Brew Your Own is a necessity for anyone who's into homebrew. For more than two decades, America's homebrewers have turned to Brew Your Own magazine for the best information on making incredible beer at home. From well-tested recipes to expert advice, Brew Your Own sets the standard for quality. Now, for the first time, the magazine's best homebrew guides, recipes, troubleshooting, and tips are brought together in one book. The Brew Your Own Big Book of Homebrewing is the ultimate all-in-one homebrew book. It's a first-time homebrewer's best friend, explaining the entire brewing process from start to finish with step-by-step photography. Yet it has plenty for the experienced homebrewer as well, including:

- Fully-illustrated guides for making the jump to all-grain brewing and for setting up your first keggling system
- More than 50 sought-after recipes to craft your favorite breweries' beers
- A deep dive on brewing ingredients
- The most useful troubleshooting features and tips from the pros from two decades of the magazine

Whether you're looking to get into brewing, up your game, or find inspiration for your next brew day, this book has what you need.

About the Author Brew Your Own, launched in 1995, is the largest circulation magazine for people interested in making their own great beer at home. Every issue includes recipes, how-to projects, and expert advice to help you brew world-class beer. Regular columns include troubleshooting common problems with Mr. Wizard, brewing a classic beer style in Style Profile, homebrew recipes for your favorite commercial beers in The Replicator, refining your brewing with Techniques, building brewing gadgets in Projects, and hearing tips, stories, and recipes from fellow homebrewers in Homebrew Nation. Brew Your Own publishes eight issues annually from offices in Manchester Center, VT. The magazine's online home, byo.com, offers a selection of the magazine's stories, projects, and recipes, as well as web-only features.
