**Carolyn C. Wise : The Business School Buzz Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Business School Buzz Book:

DT In this updated annual guide, Vault publishes the entire surveys of current students and alumni at more than 100 top business schools. DT Each 4- to 5-page entry is composed almost entirely of insider comments from students and alumni. Each school profile features surveys of about 10 students or alumni. Through these narratives Vault provides applicants with detailed and balanced perspectives. Crucially, it provides insider information on admissions and employment prospects, which is lacking in other business school guides.
