Lewis, you know there's plenty to analyze and Colin Duriez does a magnificent job. This book is a valued asset to my collection of all things Lewis, and though I already knew a great deal about him I am learning more. Covering subjects as broad as his love of George MacDonald's Phantastes, his friendship with J.R.R. Tolkien, or his views on spiritual longing, Colin Duriez helps us to see inside the mind of the greatest author of all time. This book is a must for any Lewis fan!
