From the Publisher THE SECRETS BEHIND THE SELECTION PROCESS ARE FINALLY REVEALED! The demand for cabin crew jobs is high and with a reported 90% of all candidates failing the interview, information regarding the selection process is highly sought after. In this groundbreaking book, Ms Rogers uncovers the mystery of the cabin crew interview and guides candidates step by step through the different stages of the selection process. Each stage of the interview is clearly defined and followed up with comprehensive information and advice to ensure the highest probability of being successful. The Cabin Crew Interview Made Easy advises candidates of what interviewers really want and look for in an applicant and how they can demonstrate the desired traits and skills to get an edge and land the job of their dreams. The first section covers the application process. Here candidates will learn how to complete the application form for maximum impact, compose a cover letter and CV that will demand attention and present professional photographs that will give the impression of cabin crew material. The second section proceeds to the interview stages. Initially candidates will be provided with recommended steps for preparation from researching the airline to interview rehearsals and dressing to impress. The section then moves on to outline what can be expected during the group interview. There are examples of assessments, activities and discussions followed by comprehensive suggestions that will provide candidates with a greater understanding of how they can display the desired traits and skills that interviewers are seeking. Candidates will then finally discover the best kept secret behind the group selection process. This secret alone can make the difference between being successful or unsuccessful within the first 5 minutes of attending the group interview. And finally, the remaining section of the book concentrates on the final interview. Here candidates will discover how to professionally answer over 300 of the most commonly asked questions. Each question is followed by a sample answer which has been specifically designed for the cabin crew interview and with a detailed formula to follow, candidates can easily create their own responses based on their own individual circumstance. After reading this guidebook, candidates will be much more prepared and confident which will significantly increase their chances of success. What's more, the information and advice contained within is not only timeless but also universal and can be put into action with any airline in any country. The information that has been included within The Cabin Crew Interview Made Easy is tried, tested and proven by Caitlyn herself. The book is the final result of more than 3 years of extensive research alongside Caitlyn's own personal cabin crew interview experiences.
