The Career Directory: 2000 Edition (Career Directory: Make the Most of Your Degree or Diploma):

Now in its 9th annual edition, The Career Directory is Canada's oldest and best-selling career annual. This directory lets you match your degree or diploma with over 1,000 Canadian employers that are looking for people with your qualifications. Using The Career Directory is easy. Just start with the Education Index at the front of the book and locate your degree or diploma -- over 250 degrees and diplomas are covered. Then read about all the employers hiring in your field! Each listing provides a complete overview of the employer's operations and details of their recruitment program. Includes complete HR contact information, email addresses, websites and valuable "must have" information on starting salaries, benefits and advancement opportunities. "A valuable reference guide for job-seekers," says The Toronto Star. Painstakingly compiled each year from thousands of interviews and surveys, this one-of-a-kind directory is your key to Canada's hidden job market.
