0 of 0 people found the following review helpful. Provides insights on typical problems faced by workersBy Midwest

Book Review Sherie Gong Taguchi's *The Career Troubleshooter: Tips And Tools For Overcoming The 21 Most Common Challenges To Success* provides insights on typical problems faced by workers; from bad bosses and difficult colleagues to being fired or managing a major career change. With listings of top job and career websites, resume advice, details on how to make the best decisions in a career path, and more, *The Career Troubleshooter* comes from an author with over 17 years of career development and recruiting experience.

Most people tend to suffer from the same basic career problems, and the good news is that they can all be solved - and even transformed into valuable opportunities - if they're handled correctly. The "Career Troubleshooter" provides readers with the advice and strategies they need to triumph over 21 of the most common career derailers, such as job burnout, bad bosses, inadequate financial compensation, lack of development opportunities, and more. It is packed with proven strategies, tips, and tools to help readers bounce back from a career crisis. It includes a list of helpful resources and shows readers in any field how to: identify the problem; research and evaluate their options; find the resources and help they need; and implement a sure-fire action plan.

Jim Pawlak, nationally syndicated columnist: "One of the best books on career management to hit the market in quite some time is *The Career Troubleshooter*." ""This book is like 'Oprah,' 'Dr. Phil,' and 'Dear Abby' for careers all in one!"" -- John Celona, Project Manager, Hewlett Packard ""Marvelous resource! Thoughtfully and thoroughly addresses the many challenging situations people find themselves in for their jobs, careers, and workplaces."" -- Lance Choy, Director, Stanford University, Career Development Center ""This book helps you go the distance in your career --whether in a job search, career change, new job, or managing a new group; whether in a rut, at a career dead-end, or in a career conundrum. The Top 50 job and career websites, makeovers for rsums and cover letters, roadmap for values-based decisions in your job search, ideas for recession-proofing your career, and frequently asked questions for interviews are a gold mine of information. *The Career Troubleshooter* is like a guidebook, user's manual, strategy playbook, and tip sheet all rolled into one. Sherrie Taguchi's extraordinary experience enlightens and enlivens her wealth of advice, exercises, and resources."" -- Jana Rich, Managing Director, Russell Reynolds Associates" About the Author Sherrie Gong Taguchi has more than 17 years of career development and recruiting experience as Vice President of University Recruiting for Bank of America and Director of Corporate Human Resources at Dole Packaged Foods. She was the Assistant Dean and Director of MBA Career Management at the Stanford Graduate School of Business. She is principal of Career Inspirations, a career strategy consulting practice, and the author of *Hiring the Best and the Brightest*. She lives in San Mateo, California.
