Pekka Gronow : The Cassell Thesaurus (Cassel English dictionaries) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cassell Thesaurus (Cassel English dictionaries):

A completely new thesaurus, reflecting the state of the language in the 1990s The only thesaurus to attach definitions to numbered lists of synonyms Synonyms listed in easy-to-use A-Z format Contains over 300,000 synonyms Dictionary definitions included to pinpoint shades of meaning for each group of synonyms Full coverage of general, colloquial and regional English, including idiomatic expressions Generous labelling shows how to use synonyms correctly Antonyms listed

About the Author Betty Kirkpatrick has compiled several thesauri including The Concise Oxford
