**Chambers (Ed.) : The Chambers Paperback Dictionary** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Chambers Paperback Dictionary:

1 of 1 people found the following review helpful. A Dictionary for Goldilocks: "Just Right!" By P.C. Tennen This is what a dictionary should be, Pure Fun! What? Yes, for world lovers, this the one that is just right, not too big nor too

small. A fine Scottish balance is had where one's needs are established between everything possible and a glimpse that's not enough. What's found is "sufficient, satisfying" to borrow from Chambers' definition of Enough. In short, this is a lexicon for those who love words but who are reluctant to drown in detail. 1 of 2 people found the following review helpful. because so many puzzles seemed to recommend it. I loved it By Jennifer HH ( Mr HH) I'm a "words" person and crossword enthusiast bought my original Chambers dictionary a very long time ago, because so many puzzles seemed to recommend it. I loved it. I have have long yearned for a new copy, but - apart from guilt over the expense - was concerned that, as with so many products, the new version would be inferior to the old. My fears were unjustified. I'm delighted with the current edition - the content seems equally comprehensive and it's larger than my old one, so easier for my aging eyes to read! I use online dictionaries for quick checks, but when I want detailed information or - as often happens - am checking for more obscure words, I turn to my new edition of Chambers. I love it! (Not, of course, that I can bear to jettison my old, dog-eared, coverless friend. Yet. If ever.... ) 0 of 0 people found the following review helpful. Essential book on my bookshelf. By Soe Than I admire the collection of etymological words to trace the origin of English vocabulary, which is one of my professional interests. I have collected as many editions as I can.

Containing thousands of clear definitions, The Chambers Paperback Dictionary is the ideal easy-to-use guide to finding the right word and spelling every time. Clearly structured word entries include information on pronunciation, related terms and associated set phrases to give you extra help with choosing and using the right word. New good writing supplement informs and entertains with tips on effective style and structure, global English and memory prompts for remembering tricky spellings.

About the Author Chambers is one of the worlds most respected dictionary publishers, appealing particularly to word lovers and those who revel in all the quirks of the English language. Meticulously researched and expertly written, the highly acclaimed Chambers range has been at the forefront of presenting knowledge and learning in an engaging and accessible way since it was first established in the 19th century.
