The Christian Job Search Manual: College Edition is a book about hope, encouragement, renewal, and revival in the midst of a job search. It will forever change your life and your perspective of how God works through crises. This

manual integrates biblical strategies and principles with cutting-edge techniques to give college students a spiritual advantage in a job search. This book will smooth out your job search road.

"In an era of changing employment markets and intense competition for solid jobs, Christians will do well to prepare themselves for the job hunt. Higgins' work fills an overdue need for green job seekers while providing a useful tool for Christian pastors and counselors in helping members of a new generation onto their career paths. Higgins reminds the reader that his integrity and Christian values are assets to any prospective employer. Ultimately, our caring and active God is the final Arbiter in the Christian's finding satisfying work and finding it where he can glorify his Maker." CHRISTOPHER LENSCH, REGISTRAR, WESTERN REFORMED SEMINARY, TACOMA, WA "In a season that often brings people unnecessary and crushing levels of anxiety, Bill provides biblical wisdom, an eternal perspective, and frankly a healthy dose of sanity to all job-seekers everywhere. Bill helps remind us that our faith matters to our work and more specifically, even when we're seeking it. I especially appreciate how deeply this book is rooted in scripture - a much needed foundation for a volatile time." DANIEL TRILLER, ASSOCIATE PASTOR BELLEVUE PRESBYTERIAN CHURCH, BELLEVUE, WA "Having just gone through this with our son, I was reminded about how daunting, scary and monumental the job search process can be to a young adult who is recently graduated. Bill Higgins' newest book, The Christian Job Search Manual, College Edition fell into our laps at just the perfect time! We are so grateful for this powerful guide. The author steers the reader through the maze of job searching, leads, applications, interviews and rejections to finally land the perfect career: one that is financially rewarding as well as one that lifts up and nurtures the candidate's gifts and talents. A must read for all students!" ROXANA BOWGEN, AUTHOR, AGAPANTHUS RISING "This wonderful book gives you both the inspiration and the guidance you need to get the job you really want. When you trust in God, all things become possible." BRIAN TRACY, AUTHOR THE POWER OF SELF-CONFIDENCE "The Christian Job Search Manual is a book I will share with those in my church and community experiencing unemployment or under-employment. It is biblically based, profoundly practical, and resolutely encouraging. As a comprehensive resource it is sure to help those in the wilderness of job searching find the light of God's truth and hope." JAMES AMADON, SENIOR PASTOR, HIGHLAND COVENANT CHURCH, BELLEVUE, WA "This insightful and comprehensive manual presents the entire job search process as a journey where spiritual principles are the foundation for optimal results. This book shows great mastery of current issues and challenges facing job seekers. The many explanations, solutions, analyses, and illustrations are comprehensive to the extent that the book can serve as a valuable resource, not only for job seekers, but also for career counselors, recruiters, job trainers, and HR professionals." DR. GENE A. GETZ, PRESIDENT, CENTER FOR CHURCH RENEWAL "WOW! I am so impressed with The Christian Job Search Manual. This book isn't only about how to find a job, but it's a book about the journey a person takes on the road to finding purpose as it relates to a career. I believe this is the book that will help the reader discover his or her God-given purpose." MARSHA RANDOLPH, NO WAYZ TIRED BOOK REVIEWS About the Author BILL HIGGINS has been dynamically coaching individuals involved in a job search, job change, or career change on how to make these transitions effectively and successfully since 1995. He was recently designated "America's Job Searching Coach" by an internationally known best-selling author and consultant. Since 1995, Bill has worked with over 5,000 clients in small-group and individual consultations to help them learn tips, techniques, strategies, and tools to make their job search more effective. His one-of-a-kind job search roadmap enables clients to identify their true uniqueness and career passion, capture that uniqueness in a world-class rsum, and package all they have to offer an employer in an exhilarating story to present during an interview. His roadmap simplifies the process of discovering and packaging their story. This enables clients to locate a position that allows them to express their passion and drive while finding personal fulfilment in their work. His roadmap ensures they address all of the milestones and requirements, and prepare all of the collateral and strategies they need to compete successfully in the job search market. Bill's roadmap has taken over 20 years to develop, articulate, and implement, and he currently teaches clients in one-on-one consultations, as well as in groups during two-day workshops how to master and use these strategies. For individual clients his system includes regular meetings, personal support research, on-call texting, and on-demand telephone consultations.
