which is transformative, as well as being an excellent meditation in itself. The book is full of wisdom and insight, and those on a spiritual path would do well to read and reread it many times. Highly recommended. 1 of 1 people found the following review helpful. The Circle of Grace By Peggy Powerful healing activity/technique for the bodies we inhabit: physical, emotional, mental, and spiritual. A must read for understanding the cosmic shift of frequencies and physicality from 3rd dimension to 5th dimension that began in 2000. 0 of 0 people found the following review helpful. Five Stars By Helena Kazakeviciene Absolutely amazing book. Thank you, thank you, thank you. With infinite love and gratitude, Helena K
