If you have not read the series yet, this book will appeal to your curiosity enough to make you buy the whole series and start tonight! Beautiful color descriptions and tidbits into the workings of the characters and places we all want to know more about! Thrilled about this book and cannot wait for the final in

the series! Happy reading!0 of 0 people found the following review helpful. Loved the bios!By Watch Jane WriteGreat bios and an inside look at all the characters from the Collectors Society series. This really helped me keep every one strait and sort of which character went with which classic novel. A must have for any fan of The Collector's Society.0 of 0 people found the following review helpful. A great addition to an amazing series!By Malissa CoyI love having this little extra to go along with The Collector's Society series. There can be so many characters to keep track of it is nice to have this as a reference, plus having all these details about our favorite characters and images of them is just a fun addition for any fan!

"This is why I love reading!!! This. Series. Right. Here." - Maria's Book BlogAbout the AuthorHeather Lyons is known for writing epic, heartfelt love stories often with a fantastical twist. From Young Adult to New Adult to Adult novels--one commonality in all her books is the touching, and sometimes heart-wrenching romance. In addition to writing, she's also been an archaeologist and a teacher. She and her husband and children live in sunny Southern California and are currently working their way through every cupcakery she can find.
