Norma Werner, Frieda Marion : The Collectors Encyclopedia of Half Dolls before purchasing it in order to gage whether or not it would be worth my time, and all praised The Collectors Encyclopedia of Half Dolls:

0 of 0 people found the following review helpful. Five StarsBy Glenna BOne of the best books on this subject. A good reference. Highly recommend.1 of 1 people found the following review helpful. Mom uses it all the timeBy CustomerI bought this for my mother of 82.She has just started a new hobby collecting half dolls.She uses the book all the time, and has taken pictures of her half dolls and put them in the appropriate pages in the book.She is delighted with the book because now she feels she knows what she is looking at.1 of 1 people found the following review helpful. Great book at resonable price.By tilly1046Wonderful book and great information. Helped identify some of my half dolls, which is what I purchased it for.
