Austin Coates : The Commerce in Rubber: The First 250 Years before purchasing it in order to gage whether or not it would be worth my time, and all praised The Commerce in Rubber: The First 250 Years:

Starting with the discovery of rubber in Brazil and its early industrial uses in France, Britain and America, this comprehensive history uses newly-culled, original sources to recount the rubber trade's worldwide growth and development.

`A fluent narrative which contains much eventful and colourful materialasian affairs-october 1988
